

REY de

In the heart of Los Altos de Jalisco, our Rey de Copas was born. It is the result of the fusion of the richness of our red lands embroidered with blue agave, the effort and dedication of our jimadores and the wisdom of a tequila distillery founded on tradition and experience forged in their hearts. All this to put the best drink in your glass and offer you the purest experience of Mexico in each test! "Original packaging" is the guarantee of its purity and legitimacy. 100% Tequila Made in Mexico. It rests for months in fine American white oak barrels, obtaining an "Añejo Tequila" of excellent quality, which is confirmed drop by drop in a golden tequila with a mild flavor and seductive smell.
